

22nd PHILIPPINE CHEMISTRY CONGRESS

DAP Convention Center, Tagaytay City
April 10-13, 2007

The **Integrated Chemists of the Philippines** cordially invites you to attend the **22nd Philippine Chemistry Congress (22PCC)** which will focus on the timely theme: "**Chemistry in Food Safety and the Environment**".

PROGRAMME

The 22PCC will feature plenary and invited lectures, updates and contributed oral and poster papers on various aspects of chemistry with special emphasis on the following areas:

- Agricultural Chemistry • Analytical Chemistry • Biochemistry and Molecular Biology • Chemistry Education • Computational Chemistry • Environmental Chemistry • Food Chemistry • Green Chemistry • Industrial Chemistry • Inorganic Chemistry • Natural Products Chemistry • Organic Chemistry • Polymer Chemistry • Materials Science • Physical Chemistry •

Special sessions

Special sessions will be held on the following topics: advances and concerns in chemical instrumentation, professional issues, Chemistry textbooks and CHED Chemistry program updates.

CALL FOR PAPERS

Participants who wish to submit a paper for oral or poster presentation are invited to submit a one-page abstract by **January 19, 2007**. The presenting author will be notified by **February 15** if the paper has been accepted as well as the assigned category (oral or poster). The presenting author should then submit a four-page extended abstract by **March 5** for inclusion in the *Proceedings*. Please visit the 22PCC website for further information.

STUDENT POSTER COMPETITION

A competition of poster papers will be held during the 22PCC for the categories of Undergraduate and Graduate research. The applicant must be a current student or must have graduated either in 2006 or 2007. Please visit the 22PCC website for further information.

EXHIBITS

The Congress will provide the opportunity to share time and experience with some of the country's leading laboratory instrument suppliers/distributors. Instrument suppliers are also welcome to participate in the Exhibitor's Oral Session.

REGISTRATION

	Early Registration <i>Deadline: March 5, 2007</i>	Regular and On-Site <i>After March 5, 2007</i>
Members*	PhP3,750	PhP4,250
Non-members	4,250	4,750
Students**	3,000	3,500

* Bona-fide member of any of the societies under the PFCS: ICP, KKP, OCTA, PACT, PACS

**Applicable only to students who are full-time undergraduates or to 2007 BS Chemistry graduates. Please submit letter of certification from your department chairperson.

You may download the registration form and payment information from the 22PCC website.

OVERVIEW OF THE 22PCC PROGRAM

April 10, Tuesday

10 am – 6pm	Registration
1-5 pm	Free Industry tour
6-8 pm	Welcome cocktails and socials

April 11, Wednesday

8-9 am	Registration
9-12 n	Opening ceremony, opening of exhibits, plenary lectures
PM	Parallel sessions
7 pm	Dinner, awarding ceremonies, socials

April 12, Thursday

AM	Plenary lectures and parallel sessions
PM	Poster session and exhibitors technical lectures

April 13, Friday

AM	Plenary lecture and parallel sessions
12n – 2pm	Closing program and Lunch
2-5pm	Free Ecology tour

ACCOMMODATIONS

Affordable accommodations (with breakfast) are available at the DAP on a first-come, first-served basis through the ICP secretariat. Deadline for reservation: March 23, 2007.

WEBSITE & CONTACT INFORMATION

You may view updates on the Program, the list of accepted papers, exhibitors, travel, hotel and tourist information at the website of the ICP: <http://www.icp.org.ph/>
